

## **Information for Thursday 15th February 9 a.m. - 3 p.m.**

Please make sure your child comes wearing appropriate clothing for this fun day of sports, crafts and activities. Please note that if the weather is dry and the ground is not icy we may spend some time outdoors for the sports so some warm layers that can be used when outside would be appropriate. Please ensure that clothing is labelled clearly with your child's name.

During the day your child/children will be given drinks, snacks and lunch (all included in the charge per day).

Photographs and video will be taken during the day and a montage of events put together for our website.

Children will only be allowed home at the end of the session with the adult(s) named on the registration form.

Children may be dropped off from 8.45 a.m. but the event will not begin until 9 a.m. Please arrive promptly for pick up at 3 p.m.
